**FOR IMMEDIATE RELEASE**

## **RightFiber Expands 100% Fiber Internet to Arkadelphia**

*RightFiber expands its next-generation broadband services to Arkadelphia.*

**ARKADELPHIA, Ark., October 28, 2025** – [RightFiber](#), a brand of Ritter Communications, is expanding its award-winning, 100% fiber optic internet to homes in Arkadelphia. Known for delivering unprecedented speeds and reliability, Ritter Communications extends its cutting-edge residential RightFiber service, with speeds up to 5 Gig to neighborhoods, building on the strong foundation it has established since beginning service to [Arkadelphia businesses in 2020](#).

“Arkadelphia is a vibrant community. This expansion continues our commitment to deliver best-in-class, future-proof technology to more individuals,” said [Heath Simpson](#), CEO of Ritter Communications. “Our services are built with tomorrow in mind, empowering communities like Arkadelphia for a strong digital future, so they never miss out on the things that are most important to them.”

Construction on this expansion is underway and expected to be completed in early 2026. RightFiber is committed to upholding its *Right by You* pledge by delivering a customer-first experience throughout the entire process. Residents can expect clear communication during the construction process, including signage and door hangers. Any property impacted during installation will be restored to its original condition. Customers are also encouraged to visit [RightFiber.com](#) to express interest and sign up for services.

Headquartered in Jonesboro, Arkansas, RightFiber is a brand of Ritter Communications with a legacy of over 115 years delivering advanced broadband, telecom, video and data center services across the south. RightFiber pairs best-in-class technology with a world-class customer experience, proving every day that they’re committed to doing *Right by You*.
